**CENSUS**

**If you have not returned your census form or completed it online, please call the Village Office so we can get you counted.** Most of the money that the Village receives from State and Federal Governments is based on the number of people living in the Village limits. We want everyone to be counted so that we can get the most money we can for Village expenses. A census worker is supposed to go door to door if they have not heard from you so please cooperate.

**TRIM YOUR TREES**

Please trim your trees that hang over the street. Please trim them behind the curb and 14' above the street or the Village will do it and send you a bill. Call if you have questions!

**BUILDING PERMITS**

Roger Mayer is the building inspector. Permit applications are obtained from the Village Office. Roger will issue and deliver the permit. Any improvements or repair costing more than **\$500** require a building permit.

**DOG & CAT LICENSES**

**All dogs and cats must be licensed.** The deadline for licensing your pet was April 1, 2020. The cost is \$5 for spayed or neutered and \$10 for male or female. We are waiving the late fee for 2020 due to Covid-19. All dogs running loose must be kept on your own property or must be on a leash when going off of your property. The village ordinance also requires dog walkers to carry a container to pick up after their dog. This is a matter of courtesy to other people using the sidewalks or lawns.

**IF YOUR DOG POOPS ON YOUR NEIGHBORS LAWN, BE COURTEOUS AND PICK IT UP! NO ONE LIKES TO STEP IN YOUR DOG FECES THAT YOU LEAVE BEHIND!**

**Also, no dogs are allowed in the Park – if you walk through, pick up after them! No lawnmowers are allowed in the park!**

**GRASS CLIPPINGS**

**DO NOT BLOW YOUR GRASS CLIPPINGS ONTO STREETS. IT BLOCKS UP THE STORM SEWERS.** Please mow the edge of your lawn along the curb so the grass blows into your yard. Thanks!

**TALL GRASS AND WEEDS AND JUNK LYING AROUND**

Think of your neighbors as you are cleaning up your yards. There are some properties where the grass and weeds are growing taller than they should. Please cut and/or trim your yards. This includes the back yard of your property. Long grass and weeds provides a habitat for wild animals that we do not want coming into the village. Please take care of your yards now so the Village does not have to contact you to do it. Thank you for your cooperation! Letters may be going out to people who do not comply. **Also, many properties have junk lying around the lawn and house. This is not allowed in the Village and you must remove the junk and clean up your yard. You may get a visit or letter if this applies to you.**

## **UNLICENSED UNOPERATABLE VEHICLES**

All vehicles must be licensed and operable to be sitting on your property. If not, they are considered junk vehicles and must be removed from the Village. You may be getting a visit or a letter if this pertains to you.

## **MEETINGS/ELECTIONS**

Village meetings are held at the Village Hall, 228 West Main Street. The regular meeting is held the 3<sup>rd</sup> Tuesday of the month at 6:30 p.m. Special meetings and committee meetings are held on call. Watch for postings at the Village Hall, Village Shop, and Post Office.

There are two elections left in 2020. August 11, 2020 will be a Partisan Primary for the November 3, 2020 General Election. The General/Presidential Election will be November 3, 2020.

You can register to vote at the polling place on election days, or you can go to [myvote.wi.gov](http://myvote.wi.gov) and register online. You will need your driver's license or proof of residence to register in person. You will need your driver's license or photo identification to receive a ballot.

I know the Election Board is reviewing options for elections due to the Covid-19; but since we were open in April, I believe we will also be open in August and November.3

2020 is a Presidential Election year, which means you will soon be finding voter registration forms and absentee ballot request forms in your mailbox. These mailings are not from your municipal clerk, even though they may appear to be. They are sent by special interest groups and the prefilled voter information on the forms is often outrageously inaccurate. **To ensure you are properly registered or to apply for an absentee ballot, please visit [myvote.wi.gov](http://myvote.wi.gov) or contact your municipal clerk.**

## **NO BURNING**

Burning is not allowed in the village limits. Only recreational campfires for cooking purposes are allowed. **No Burning Of Garbage.** No burning of leaves, sticks, grass or household rubbish. **No burning barrels are allowed in the village.**

## **TAXES**

Due to the COVID-19 Pandemic, the St Nazianz Village Board adopted a resolution waiving interest and penalties until October 1, 2020 for your postponed taxes that were due July 31, 2020 (this does not include missed 1<sup>st</sup> installments) Please call the Manitowoc County Treasurer if you have any questions. 920-683-4020.

## **FOURTH OF JULY**

With the July 4<sup>th</sup> holiday fast approaching, just a reminder that it is illegal to shoot off fireworks in the village. All fireworks that shoot into the air are illegal and could pose a threat to neighboring property and roofs. Although they are very pretty to watch, you must be considerate of your neighbors.

## **PHOSPHOROUS LIMITS AT WWTP**

Phosphorous limits are coming in the years ahead at our sewer plant. Be aware of what is going down your drain as it costs the Village money to treat it!

**VILLAGE EMPLOYEES CONDUCT CROSS CONNECTION/BACKFLOW INSPECTIONS WHEN METERS ARE CHANGED OUT.**

**NO VEHICLES/ATV/GOLF CARTS ARE ALLOWED IN THE PARK OTHER THAN THE PARKING LOT!**

**Included is the annual Consumer Confidence Report for the St Nazianz Water Utility.**
