Garbage Cart Rules Green for Life Environmental (GFL) 920-333-8183

Place container:

- On the curb line with the arrows on the cover facing the street.
- Within 1 foot of the road's edge.
- 3 feet from mailbox or light pole.
- Away from low wires.
- Carts should be 3 feet from each other.
- Lids need to be closed.
- Carts should be placed in current location on service day.
- Garbage should be bagged to keep material from blowing away when cart is dumped.
- All material needs to be in the proper cart.
- All material needs to be inside the cart for disposal.

It does not matter what color of bag you use for garbage now. GFL wants you to bag your garbage, but you do not need to put a liner in the cart.

Each cart has a serial number on them that corresponds to your address. The carts are property of GFL. Do not take them if you move from your address.

These carts are free to us now. If you damage your carts (drive over it, abuse it, burn it, or anything else to damage it), you will have to pay approximately \$70.00 to \$90.00 to replace it.

Recycling items can all be put together in the yellow covered recycling cart. Don't use a bag for recycling items now, just the recycling items go in the recycling cart. (This will include paper, cardboard, all plastics, all tin and all aluminum). Be sure to note the items that cannot be recycled and put them in your garbage bags. Call if you have questions and we will find the answer.

Bulky Garbage Disposal

Ways to get rid of bulky items:

- Rent a 2-yard dumpster (approximate equivalent to 4 garbage carts) from the Village (\$60/dump) or from any local garbage hauler. Call the Village Office for more information (773-2471).

- Take your items to the United Ministries Thrift Store here in the Village, 920-773-3050. They will pick up too, but only items that still work! No furniture. Call them for information.
- Call GFL and they will arrange curbside pickup for a fee, 920-333-8183.
- Haul your items to Ridgeview Landfill, 920-732-4473, or Hickory Meadows Landfill, 920-335-2351. Call ahead for costs.
- Contact Mike Plate, 920-323-5110. He will pick up all unwanted scrap metal: washers, dryers, stoves, dishwashers, water heaters, sheet metal, heavy iron, cast iron sinks and bath tubs, car parts, batteries, rotors, rims, electric motors, wiring, copper pipe, steel pipe, brass, aluminum, lawnmowers, snow blowers, air conditioners, dehumidifiers, and any appliance or metal as long as it has a cord on it. He does charge a fee for TV's based on size, and refrigerators and freezers. *Call Mike with questions and for fees. Leave a message, and he will return your call.* He only comes to the village if he has numerous stops here. He won't pick up one item, so you must be patient with him.
- Be sure to watch the papers for the local clean sweeps that the county holds to get rid of paints, chemicals, medications, etc.
- Call the Village Office, 773-2471, or GFL, 920-333-8183, with questions.

Brush Drop Off Site

PLEASE!

No garbage bags of any type are allowed at the site. Dump your grass clippings and take your bags with you.

No bags whatsoever!

No dog feces allowed! Put dog feces in your garbage.

This site is only for use by village of St. Nazianz residents. Not to be used by anyone who lives outside of the village limits!

If violations continue, you will force us to close the drop off site and you will have to haul your brush to Manitowoc.

Thanks to those who cooperate with the rules!
