June 2022

Summer is here – watch for children!

TRIM YOUR TREES

Please trim your trees that hang over the street. They should be trimmed behind the curb and 14' above the street or the Village will do it and send you a bill. Call if you have questions.

BUILDING PERMITS

Roger Mayer is the building inspector. Permit applications are obtained from the Village Office. Roger will issue and deliver the permit. Any improvements or repair costing **\$1,000** or more require a building permit.

DOG & CAT LICENSES

All dogs and cats must be licensed. The deadline for licensing your pet was April 1, 2022. The cost is \$5 for spayed or neutered and \$10 for male or female. There is a \$20.00 late fee for licenses. **All dogs running loose must be kept on your own property or must be on a leash when going off of your property.** The village ordinance also requires dog walkers to carry a container to pick up after their dog. This is a matter of courtesy to other people using the sidewalks or lawns. **No Dogs are allowed in the Park!**

GRASS CLIPPINGS

Do not blow your grass clippings onto streets -- it blocks up the storm sewers. Please mow the edge of your lawn along the curb so the grass blows into your yard.

TALL GRASS AND WEEDS AND JUNK LYING AROUND

Think of your neighbors as you are cleaning up your yards. There are some properties where the grass and weeds are growing taller than they should. Please cut and/or trim your yards including the back yards of your property. Long grass and weeds provide a habitat for wild animals that we do not want coming into the village. Please take care of your yards now, so the Village does not have to contact you to do it. Letters may be going out to people who do not comply. **Also, many properties have junk lying around the lawn and house. This is not allowed in the Village and you must remove the junk and clean up your yard. You may get a visit or letter if this applies to you.** Thank you for your cooperation!

UNLICENSED INOPERABLE VEHICLES

All vehicles must be licensed and operable to be sitting on your property. If not, they are considered junk vehicles and must be removed from the Village. You may be getting a visit or a letter if this pertains to you.

TAXES

The 2nd installment of property taxes is due by July 31, 2022 to the Manitowoc County Treasurer.

MEETINGS

Village meetings are held at the Village Hall, 228 West Main Street. The regular meeting is held the 3rd Tuesday of the month at 6:30 p.m. Special meetings and committee meetings are held on call. Watch for postings at the Village Hall, Village Shop and Post Office.

NO BURNING

Only recreational campfires for cooking purposes are allowed. **No burning garbage, leaves, sticks, grass or household rubbish. Burn barrels are NOT allowed in the village.**

4TH OF JULY

With the July 4th holiday fast approaching, just a reminder that it is illegal to shoot off fireworks in the village. All fireworks that shoot into the air are illegal and could pose a threat to neighboring property and roofs. Although they are very pretty to watch, you must be considerate of your neighbors.
